Jason

The latest version of the draft NT CD is attached. We reviewed most (if not all) of these changes during our last team meeting, however, please give this another review and let me know if you have any question/comments/concerns.

Thanks in advance

Betsy:

Here's the Nelson Tunnel CD. I'm sending it to you in Word so you can generate your own version reflecting changes to prior drafts. Also, we still need to confirm the State of Colorado is okay with all the changes we've made, and as always this is subject to final approval by senior DOJ and EPA management.

Regards,

Jerry

Hi,

Heidi has forwarded us the further edits on the Gilt Edge CD. Wondering where you folks are on Nelson Tunnel. Please advise.

Thanks.
